

Day 1 - Friday, 13 September 2024

SCIENTIFIC PROGRAM

07:30 - 08:50	Registration	
	Navigating Leadership: The Role of Transparent Communication in Surgical Practice Chairpersons: Taha Al-Harmerdi Abdul-Rahman Maher	Hall 1- Raffles Ballroom
08:50 - 09:05	From Surgeon to Healthcare Leader	Taha Al-Hazarmerdi
09:05 - 09:20	Disclosing the Diagnosis of Terminal Stage Cancer to Patients: Attitudes Amongst UAE Healthcare Providers and Universities' Students and Personnel	Alaa Al Hawari
09:20 - 09:35	Debunking the Myth of Contrast-Induced Nephropathy: A Challenge to the Status Quo	Abdul-Rahman Maher
09:35 - 09:55	Opening Ceremony	
09:55 - 10:25	Break / Exhibition Opening	
	Hall 1- Raffles Ballroom	Hall 2 - Luxor Meeting Room
	The Weight of Change: Advances in Bariatric Surgery and Weight Management Chairpersons: Safwan Taha Juan Barajas - Gamboa Mohammed Hadad	Navigating the Gut: Advances in GI Surgical Techniques and Outcomes Chairperson: Ahmed Pervez
10:25 - 10:37	Medium to Long-term Outcomes of Bariatric Surgery in Older Adults with Super Obesity Aly Elbahrawy	Outcomes After Laparoscopic Abdominoperineal Resection – A Five Year Analysis Ahmed Pervez
10:37 - 10:49	Bariatric Surgery for Extreme Obesity Safwan Taha	Single Incision Laparoscopic Resection Rectopexy Ali Al Ghrebawi
10:49 - 11:01	Fluorescence Technology and its Role in Bariatric Surgery Hayder Makki	Laparoscopic Management of Para Stomal Hernia Using Reinforced Tissue Matrix Mesh Shahzad Ahmed
11:01 - 11:13	Evaluating Safety and Outcomes of Conversional Bariatric Procedures in Elderly Patients: A National Database Analysis Juan S. Barajas-Gamboa	Chyme Reinfusion Therapy for Post Operative Nutrition and Hydration Management in Inflammatory Bowel Disease John Davidson
11:13 - 11:25	Gastric Schwannoma in Sleeve Gastrectomy: Video Case Report Talat Albeiti	Revisiting the ACPGBI 2013 Position Statement on Colorectal Polyp Cancer: A Call for Change? Khuram Siddique
11:25 - 11:37	Intra-thoracic Migration of Gastric Sleeve with Herniation of Bowel Loops Managed Laparoscopically - Video Case Report Nuran Aljabri	RectoVaginal Fistula: A Challenging Diagnosis for the Physician and Life Changing for the Patient: Clinical Case Maliha Jaffar
11:37 - 11:49	Weight Loss Trends After Single Anastomosis Duodeno-Ileal Bypass: A 7-Year Single-Center Study Involving 104 Patients Yusra Sadqi	Laparoscopic Management of Complex Diverticulitis with Fistulation Without a Stoma Md Abu Sayed

11:49 - 12:01	Added Value of Using Diode Laser for Circumcision: A Retrospective Study Ibrahim Hassan	An Unusual Case of Anal Pain and Rectal Bleeding: Ingested Foreign Body in Post-Hemorrhoidopexy Patient Sanam Nusrat
12:01 - 12:37	Medsurg Symposium : Bio A and Hiatus Hernia: 10 years UK Experience Mohamed Elkalaawy	Emborrhoid: Anatomy, Evaluation, and Review of Current Evidences Saher Arour
		12:13 - 12:25 Peritonectomy Followed by HIPEC for Peritoneal Carcinomatosis Farouk Safi
		12:25 12:37 Prophylactic HIPEC for Carcinomatosis from GI alignments Yasir Kamal
12:37 - 14:00	Lunch Break / Prayer	
14:00 - 14:12	Beyond the Scalpel: The Future of Hepatobiliary Surgery Chairpersons: Salem Al Harthi Wolfram Trudo Knoefel Percutaneous Cholecystostomy to Manage a Hot Gallbladder Doaa Al-Maliki	Surgical Synergies: Where Precision Meets Innovation Chairperons: Amal Suhool Hayder Makki Abdulwahid Alwahedi Case Series on Extremity Vascular Trauma: Clinical Outcomes and Management Strategies Shahzad Sarosh Bulsara
14:12 - 14:24	Rare Bleeding Post Roux en Y Hepaticojejunostomy Repair: A Case Report Abdul Aziz Albaroudi	The Basic Road to Gynecologic vNOTES Surgery Omar Alelwan
14:24 - 14:36	Defining the Mesopancreas and its Excision through Treitz Sami Alexander Safi	Laser Versus Limberg Flap in the Treatment of Pilonidal Disease: Which is the Optimal Approach? Hatem Gaafar
14:36 - 14:48	Chole-QuiC approach to Hot Gallbladder A Systemic Review Ayman Mahmood	<p>Precision Redefined: Mastering Advanced Laparoscopic Surgery</p> <p>Chairperson: Khurram Siddique</p> <p>Faculty: Khurram Siddique, Pervez Ahmed, Md Abu Sayed, Haytham ElSalhat, Ibrahim Turki</p>
14:48 - 15:00	Management of Portal Vein Steal Syndrome in Adult Liver Transplantation Dmitrii Tsoi	
15:00 - 15:12	Gallstone Disease in Pregnancy: Saving Two Souls Mohammed Hamdy Abdelhady	
15:12 - 15:24	Liver Resections with Vascular Reconstructions and Total Vascular Exclusion in Children Dmitry Akhaladze	
15:24 - 15:36	Laparoscopic Management of Post ERCP Biliary Peritonitis Farhan Akram	
15:36 - 15:48	What is Borderline in Pancreatic Surgery Solomon John	
15:48 - 16:00	Current Perspectives in In-situ Split Liver Resection Wolfram Trudo Knoefel	
16:00 - 16:12	Laparoscopic Distal Pancreatectomy Mohammed Wehbe	
16:12 - 16:24	Liver Dysfunction After Bariatric Surgery Ritu Kare	
16:24 - 18:30	ACS General Assembly	

Day 2 - Saturday, 14 September 2024 SCIENTIFIC PROGRAM

07:30 - 08:30		
Registration		
	Hall 1 - Raffles Ballroom	Hall 2 - Luxor Meeting Room
	Little Patients, Big Advances: Innovations in Pediatric Surgery Chairpersons: Ibrahim Hassn Bassem Abou Hussein	Restoring Confidence: Cutting-Edge Techniques in Breast Surgery Chairpersons: Rafal Iskanderian Ghassan Elamin
08:30 - 08:42	The Enigma of Laryngeal Cleft Shaik Basha	Emerging Concepts in Treating Young Breast Cancer Patients Rafal Iskanderian
08:42 - 08:54	Conservative Management of Complicated Appendicitis in Pediatric Age Group: A Surgical Dilemma Diary Abdulrahman Mohammad	Effect of Steroids on Granulomatous vs Nongranulomatous Mastitis. Case Series of 12 Patients Rabbia Khan
	Shrink to Fit: Transformative Bariatric Surgery Chairpersons: Ali Khammas Omar Ibrahim Almarzuqi	
08:54 - 09:06	Conversion of Sleeve to RYGB, Hiatus Hernia Repair and Esophagopexy in a Patient with MAS Hikmat Matar	Utilizing a Modified Rotational Flap Technique in Chest-wall Perforator Flaps Training, and Patient Related Outcomes Ghassan Elamin
09:06 - 09:18	GORD in Bariatric Surgery Mohamed Elkalaawy	Updates of Surgical Management of Axilla in Breast Cancer Tamara Alkeileh
09:18 - 09:30	Primary One-Anastomosis Gastric Bypass in Situs Inversus Totalis for Morbid Obesity: Video Case Presentation Aly Elbahrawy	Diverse and Innovative Surgical Techniques for Treating Advanced Stage Gynecomastia Rafal Iskanderian
09:30 - 09:42	GERD post SLEEV Gastrectomy Ali Al Ghrebawi	Sound, Air, and Voice: Evolving Approaches in ENT Surgery Chairpersons: Ali Salem Bachir Elias
09:42 - 09:54	RYGB: Anti or ISO Peristaltic JJ-Stomy? Guido Mannaerts	Comparative Analysis Between Conventional Clamp and Tie, Bipolar Forceps and Thermofusion Devices in Total Thyroidectomy Bachir Elias
09:54 - 10:06	4th Revision of RYGB for Severe Cahexia Safwan Taha	Management of Vocal Cord Paralysis After Thyroidectomy Redwan Kalash
10:06 - 10:18	Unusual Pelvic Pain Post Bariatric Surgery Biborka Berezcky	Communication and Documentation: The Tools of a Safe Surgeon Tariq Shadid
10:18 - 10:30	Liver Dysfunction After Bariatric Surgery Ritu Kare	
10:30 - 10:48	Coffee Break	

*Program subject to change

	Hall 1 - Raffles Ballroom	Hall 2 - Luxor Meeting Room
	<p>Seal the Deal: Cutting-Edge Hernia Repairs Chairpersons: Basim Al-Khafaji Ibrahim Turki</p>	<p>Colorectal Surgery Unveiled: Mastering Advanced Laparoscopic Techniques</p> <p>Chairperson: Khurram Siddique</p> <p>Faculty: Zahir Huq, Shahzad Ahmed, Farhan Akram, Md Abu Sayed, Haytham ElSalhat, Fadel Shaheeb</p>
10:48 - 11:00	<p>Video presentation - Laparoscopic Management of Rare Foramen Of Winslow Hernia Ahmed Pervez</p>	
11:00 - 11:12	<p>Outcome of Slowly Absorbable Biosynthetic Meshes in Hiatal Hernia Repair: Review of the Current Literature Alexander Prusa</p>	
11:12 - 11:24	<p>Intercostal Hernia: Case Presentation Salem Al Harthi</p>	
	<p>In the Line of Fire: Innovations in Trauma Surgery Chairperson: Saubash Gautam Caroline Rydmarker</p>	
11:24 - 11:36	<p>Do Physician Abuse Radiation in the Emergency Department? Amer Al Ani</p>	
11:36 - 11:48	<p>The Feasibility of Early Repair of Traumatic Abdominal Wall Hernia Using Biosynthetic Mesh Saud Aldeghaither</p>	
11:48 - 12:00	<p>Riding on the Edge: Decoding Motorcycle Accidents Among UAE's Food Delivery Heroes Yousif Basim Al-khafaji</p>	
	<p>Art and Precision: Advances in Plastic and Reconstructive Surgery Chairpersons: Fatima Al Suwaidi Abdullah Fakhro</p>	
12:00 - 12:12	<p>Advanced Deep Plane Face Lift/ Ligaments Release Bashar Bizrah</p>	
12:12 - 12:24	<p>Minimally Invasive Lipoabdominoplasty (MILa) for Diastasis Recti: A Proof of Concept Gabriela Restrepo-Rodas</p>	
12:24 - 12:36	<p>The ERAS Era: The Plastic Surgery Paradigm Shift - Pioneering Cost-Effective, Swift Recovery, and New Frontiers in Reconstructive Surgery Abdullah Fakhro</p>	
12:36- 14:00	Lunch Break	

*Program subject to change

	Hall 1 – Raffles Ballroom		Hall 2 – Luxor Meeting Room
	Digesting Innovation: The Future of GI Surgery Chairpersons: Valentina Giaccagli Tarek Mahdy Ahmed Hassn		Surgical Showdown: Spotlight on Emerging Talent Chairpersons: Yasser Kayyal Rolf Hartung Fadel Shaheeb Omar Bekdache
14:00 - 14:12	Oral Metronidazole and Cefixime as Prophylaxis on Wound Complications of Uncomplicated- Appendicitis Following Appendectomy: A Randomized-Clinical-Trial Amirhossein Hajialigol	14:00 - 14:10	Technique of Robotic Repair of Diastasis Recti and Umbilical Hernia Nouran Nada
14:12 - 14:24	Laparoscopic Surgery for Median Arcuate Ligaments Release Fadhel Alzahrani	14:10 - 14:20	Outcomes of Robotic Gastrectomy Surgery at a Tertiary Care Hospita Zeina Mashaal
14:24 - 14:36	Reproducible Perioperative Strategies Lead to Improved Outcomes After Esophagectomy Ahmed Hassn	14:20 - 14:30	A Comparison of Weight Loss Methods: Which Approach is Most Effective and Durable? Mohammed Al Hadad
14:36 - 14:48	Is the Colon Conduit After Esophagogastrectomy a Good Option? Yusef Moulla	14:30 - 14:40	Rectal Cancer Clinicopathological Features in a Tertiary Center in the UAE Yusor Al-Nuaimy
14:48 - 15:00	Emergency Laparoscopic Surgery: How to Achieve Best Outcomes? Shahzad Ahmed	14:40 - 14:50	A Systematic Review and Meta-analysis of Appendectomy for Complicated Appendicitis: Drain or No Drain? Marwa Yassin
15:00 - 15:12	Laparoscopy in Abdominal Emergencies Case Reviews Tips and Tricks Ali Reza Eghtedari	14:50 - 15:00	A Rare Site for Pilonidal Sinus: The Cheek- A Case Report Mais Dawara
15:12 - 15:24	Laparoscopic Surgical Management of Complicated Colonic Diverticular Disease Waleed Gado	15:00 - 15:10	Case Report: Dermatofibrosarcoma of the Breast Mohammed AIMusained
15:24 - 15:36	TBA	15:10 - 15:20	Management of Pelvic Trauma Fractures Requiring Operative Intervention at a Major Trauma Centre Maryam Jamshaid
		15:20 - 15:30	Clinical Relevance of the 3 cm Threshold in Sigmoid Diverticulitis with Abscess. Consensus or Quandary? Sascha Vaghiri
